

SO WHAT'S IT ALL ABOUT

Get your friends together for a coffee and a chat while we Snap!

It is so important to capture the kids as they grow, and don't they grow up fast!

So many people want to get photos done but never have the time, or don't know where to go, or find it too expensive, or just simply don't get around to doing it.

That's where we come in!

No up front cost to you, and in the comfort and convenience of your own home, we will capture natural and fun images of your child and their friends.

There is no obligation to purchase, however if you do wish to buy, you will see the results on the day of the party.

You can decide what you want there and then on the spot. No extra appointments for viewing, all done in the one day.

Photographs are delivered to the party host usually on the following week.

PLACING AN ORDER

During the course of the party you will be shown the images taken. We will show you the options available and show you some different styles such as black and white and toned. You can place your order before departing. No orders can be accepted after the party day.

We do prefer payment for your order in full on the day of the party and accept cash or credit card (we use PayPal online credit card facilities). For orders we require a 35% deposit with any outstanding amount to be paid on delivery of the completed orders. The orders are delivered to the party host usually 7-10 days after the party. That means that you need to pay any outstanding amount to the party host before the day of delivery. We can arrange PayPal payments during that time.

In the case of a Montage print being ordered - A montage proof will be created and emailed to the purchaser for approval prior to final printing so a delay during this process can delay the final delivery date. Framing can also delay final delivery. To avoid this delay, all montage images and framed prints that are not ready in this time will be delivered direct to the purchaser as soon as possible.

When you receive your order you will be able to re-order the images that you have selected. This can be done within 8 weeks of the delivery and forms for this will be included in your order. All reorders will be posted out or in the case of large prints or framed prints, delivered.

All Prices valid until 31st December 2008.
